### **Placement opportunities in India and Abroad**

Arabic is a dynamic international language with economic and strategic importance. Arabic is widely accepted for communication for international business purposes and is one of the official languages at the UN. It is one of the crucial languages that are used for the defence personnel. The scope of learning a foreign language like Arabic is fortunately not restricted to a single country like India because learning Arabic opens up a new avenue for job opportunities in the foreign nations like the Middle Eastern countries like UAE, Turkey, Saudi Arabia, etc. and other countries including USA, France, Germany, Canada, Australia, Spain, Sweden, etc.

The scope of Arabic is not limited to translation and teaching, but the candidates that have the proficiency in the language can choose from a variety of jobs like journalists, editors, writers, poets, influential speakers, language analysts, banking, and many more. Also, the knowledge of Arabic can certainly help you to deal with the international business owner to give a boost to your business. Thus, learning a foreign language has a lot of benefits that can not only help one to improve his career opportunities but also widen the horizons of jobs so that he can explore more.

**Instructional Design:** This programme proposed here has been approved by the statutory bodies of the University. As part of curriculum design, the curriculum and syllabus, curriculum analysis, translating the needs of the course, splitting the objectives into specific objectives.
