Analysis of Students Feedback on Curriculum & Teaching (2020-2021)

The M.M.E.S Women's Arts and Science College has conducted Students feedback during the academic year. The survey was conducted by the IQAC. The questionnaires consisted of 13 questions and 214 Students participated in the survey

The college was able to assess the views of students on curriculum and teaching through the survey. The responses in the feedback confirmed that majority of the students felt that curriculum, Standard of syllabus, Subjects, Curriculum matching the current trending technologies, CIA I,II,III Evaluation procedure are very good. Teachers subject knowledge, Quality and teaching , Access to teaching faculty, Projects , Assignments, Student-faculty relationship, Mentoring are very good and Discipline inside campus is excellent

Analysis of Students Feedback on Students Support services (2020-2021)

The M.M.E.S Women's Arts and Science College has conducted Students feedback during the academic year. The survey was conducted by the IQAC. The questionnaires consisted of 25 questions and 214 Students participated in the survey

The college was able to assess the views of students on Students support services through the survey. The responses in the feedback confirmed that majority of the students felt that Administration services, canteen services, sports and games, scholarship services, placement services and bank services offered by the college are very good. NSS activities and Scholarship services are excellent.
